

YAFTERSCHOOL™

We build strong kids, strong families, strong communities.

The YMCA is proud to be a national partner of JCPenney Afterschool, an foundation committed to excellence in after school programs nationwide. The Cleveland Family YMCA JCPenney Afterschool Program provides quality after school programs in collaboration with Bradley County Schools to give kids the extra advantage they need for a healthier, happier life. Our programs are offered on-campus at all Bradley County elementary schools and provide daily activities that promote a healthy SPIRIT, MIND, & BODY for all students.

Homework Tutoring helps kids focus on assignments right away. Caring adults supervise dedicated time and give direction as needed.

Character Education Second Step is a research-based social skills development curriculum that helps kids develop strong character and make good life decisions.

CATCH Kids Club improves physical fitness, and is intended to promote interest in being physically active.

YMCA JCPenney Afterschool sites are open Monday through Friday immediately after school until 5:45 p.m. at the following locations:

Black Fox
Hopewell
Oak Grove
Valley View

Blue Springs
