FREE GRAB & GO MEALS FOR ALL KIDS AND TEENS

The YMCA of Metropolitan Chattanooga will be providing Grab & Go meals to children ages 18 and under in our community while schools are closed due to COVID-19.

Our YMCA in partnership with the Hamilton County Department of Education, local Walmart Stores, and other community partners will be supporting our communities' efforts to provide healthy meals to youth up to age 18. Coordination of this work is ongoing. Please check our site daily for updates

NOTES:

- Children do not have to be present on site for parents to take meals for them. We are going on the honor system when they tell us they have a child, 18 years or younger, that they will be taking the meals to.
- We can serve Breakfast and Lunch at the same time.
- Children do not have to eat their meals on site.
- All meals will be grab and go.
- Meals can be served directly from the delivery truck so families do not need to enter the YMCA or other facility.
- No enrollment or documentation is necessary.

In response to COVID-19 these are our elevated hygiene and sanitary practices:

Food Prep to promote community health

1. We are not allowing any workers who may be ill to prepare or serve food
2. All staff are required to wash their hands frequently for a minimum of 20 seconds before and after food preparation and at any food preparation breaks
3. All staff and volunteers who prepare food are supervised by a food handlers certificated supervisor and are also required to wear gloves when preparing meals
4. All food contact surfaces, commonly touched surfaces and other surfaces are cleaned before and after food prep using EPA COVID-19 approved cleaners
5. All food is pre-packaged when it leaves either facility

Food Distribution to help insure community member and staff health

1. Food is distributed prepackaged and handed out, outside, directly from sanitized storage containers
2. Encouraging staff to wear masks and gloves as supplies permit
3. Encouraging families to drive up to sites and the Y team will place food in the vehicle
4. Discouraging families from leaving their vehicle to receive food when possible
5. Families walking or riding bikes will still be served
6. Sanitizing van surfaces between uses

J.A. HENRY COMMUNITY YMCA
